

[Directions for eBook Apps](#)

[OTHER resources that may be helpful](#)

Thanks to Ms. Krier, Kingsley Teacher Librarian for this tip sheet!

[Directions for eBook Apps](#)

On your student iPad, find the app portal called **Student**

Select **My Resources**

Scroll until you find the app **Cloud Library** and/or **Axis 360** & press **GET**

For **Cloud Library**: Select Language: **English**, Select Country: **United States**, Select State/Region: **Illinois**, Select Library: **Downers Grove Grade School District 58**, select **Next**, select **Accept**, enter Library Card ID: **enter your district username** (example: dg012345) **if you don't know your district username, contact Mrs. Krier*

Please note: On Cloud Library, there are eBooks and audiobooks available for all ages. The main screen defaults to all books purchased by the school district. However, if students search for a title, it does search the entire Downers Grove Public Library ebook catalog.

For **Axis 360**: Select Country: **United States of America**, State: **IL**, Library: **Downers Grove Grade School District 58**, Library ID: **enter your district username** (example: dg012345) **if you don't know your district username, contact Mrs. Krier*

The first time you set this up it will ask for your Name & Email to Register. Type your first name, last initial & your district email (example: dg012345@students.dg58.org).

Please Note: On Axis 360 there are eBooks and audiobooks available for all ages. On the main screen below All Featured, you will see a section that says **Children**. You can View All by pressing the arrow on the right side of the screen OR select **Browse** at the bottom of the screen & select **Juvenile Fiction** or **Juvenile Nonfiction**.

**Please Note!* EPIC may not be available over the summer. If you do not already have a class code, this resource will not be available to you.

Students may also choose to read books via the app **Epic!** which can also be found in the app portal called **Student**. Select **Have an account? Sign In**, select **Students & Educators**. Under Student Login it asks for a class code.

Follett Lightbox

1. Go to destinydiscover.com
2. In the Location box, it says "Any Location." Do not change.
3. In the School box, enter "Follett eLearning, McHenry, IL" and click Go!
4. To log in, click on the "Log In" button at the top right of the screen.
